This policy aims to:

- set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- clarify our expectations for school uniform within our schools.

We believe that school uniform makes a positive contribution to the culture within our schools and to the learning which takes place there. It is our policy that all children and young people in our schools throughout all years, starting from nursery and reception up until Year 11 should wear a school uniform when attending school, or when participating in a school-organised event outside normal school hours, unless exempted from doing so by the Principal on designated days.

Sixth form children and young people will be expected to be smartly dressed at all times, as they would be if working in a smart professional environment. Our sixth form young people are role models.

An up-to-date list of the items needed for school uniform is available on each
